

SHANI GUPTA

BIOTECH | BIOINFORMATICS | COMPUTATIONAL BIOLOGY

Kanpur, Uttar Pradesh, India | shanigupta8282@gmail.com | www.linkedin.com/in/shani-gupta-

SUMMARY

B.Tech Biotechnology undergraduate with an 8.6/10 CGPA and strong interest in Bioinformatics, Computational Biology, Molecular Biology, and Biotechnology research. Academic exposure to molecular biology, microbiology, genetics, bioinformatics, and bioprocess engineering. Interested in applying programming to biological problems and data analysis. Seeking Bioinformatics, Biotechnology Research, and Computational Biology internships to develop research skills and contribute to interdisciplinary projects.

TECHNICAL SKILLS

Molecular Biology	Biological Data Analysis	Python Programming
Bioinformatics	Genetics	Bioprocess Engineering
Computational Biology	Microbiology	Laboratory Skills

PROFESSIONAL EXPERIENCE

- Python Developer Internship by EduSkills

Feb 2026 - Mar 2026

 - Completed training in Python fundamentals and programming concepts.
 - Applied Python to develop basic computational solutions.
 - Strengthened problem-solving and logical programming skills.
 - Gained foundational knowledge of web development and application development.
 - Gained hands-on exposure to Python-based application development.
- Google Developer Virtual Internship

Oct 2025 - Dec 2025

 - Completed a virtual internship focused on Google technologies and software development practices.
 - Gained exposure to structured technical learning and development workflows.
 - Strengthened understanding of practical software development concepts and tools.

EDUCATION

- B.Tech Biotechnology

Sep 2024 - Aug 2028

Rama University, Kanpur

 - Relevant Coursework: Molecular Biology, Microbiology, Genetics, Bioinformatics, Bioprocess.
 - Programming: Python, R, Data Structures & Algorithms, Object-Oriented Programming.
- Tilak Inter College

May 2023 - Apr 2024

Engineering University

 - Relevant coursework in Structural Design and Project Management.

ADDITIONAL INFORMATION

- Languages:** English, Hindi.
- Certifications:** NPTEL Molecular Biology, NPTEL Public Health, Python Web Developer Internship — EduSkills, Google Developer Virtual Internship, Professional Networking for Career Growth — HP, Robotics & IoT Workshop.
- Awards/Activities:** Certificate of Excellence — Manipal Biotech Hackathon, Technical Workshops & Hackathons — CodeKabila, Student Technical Activities & Team Coordination.
